PRAYING OUR WAY FORWARD

for

THE UNITED METHODIST CHURCH

Sunday, February 17th, 2019
Through
Sunday March 3rd, 2019

*"Do to others whatever you would like them to do to you.
This is the essence of all that is taught in the law and the prophets."
~ Matthew 7:12 NLT*

I began praying this verse after the disastrous last night of the Tampa General Conference in 2012. Tampa laid bare our deep dysfunction. Today I'm calling you to pray and fast while focusing on this verse. Bill Bright once said, "Fasting, as it relates to prayer, is the spiritual atomic bomb that the Lord has given us against the enemy."

It is important for us to understand that the enemy in this context is NOT a group of other people. It is the evil one, Satan. The enemy of our souls wants United Methodists to devour one another as has sadly happened in several other denominations. The last thing the enemy wants is for us to live out Jesus' words.

I don't think we need a political strategy to address a spiritual problem. I'm calling you to do something far more important and far more strategic. Go boldly to the throne room of Heaven with this problem. Fast and Pray like Esther then take it to the King of Kings. Organize prayer in your local churches, small groups, Sunday School classes and communities. Ask friends in other denominations to pray this verse for us. Move God's heart and trust him to move the delegates' hearts. I know, it is counter intuitive. It is not how the world works. In the world political strategies rule. But this is how God's kingdom is structured. It is Biblical.

We need to fall on our faces in prayer!

Because we are praying God's word we will know we are praying God's will. Ask the Lord to convict the 864 delegates by whatever means necessary that devouring one other is not helpful. Ask God to help delegates walk away from political strategies and embrace a sermon on the mount lifestyle. Ask them to have dreams, visions, ah-ha moments while reading their Bibles, a still small voice that they hear or even a full blow angelic visitation

Don't pray selfishly about your church building or how GC 2019 may impact you. Instead pray for the glory of God's name, for our witness to a lost world, and God's will. I believe the Holy Spirit can convict and move hearts. Storm the heavens for the next days my friends. This is my source of hope.

Blessings and peace,

Beth Ann Cook

Today is an important day. Today is the day that we begin a fifteen day campaign to beseech the throne of God for our beloved church. I have said it before and I will say it again, there is little that is more important than spending time in prayer. From our side of Heaven prayer can feel like a bunch of words that we throw to the ceiling and hope that maybe God will reach down and grab them and hopefully decide to do something positive with them. But, from the eyes of Heaven prayer is the most powerful thing that a child of God can do.

So, we are hoping that you will join us in praying for our church. Each day this guide will give you some of the events of the day for the Called General Conference and the activities of Renewal and Reformed Coalition, please spend some time in prayer over the days events. Then there will be a scripture passage, an image, and particular prayer focus, this is the primary area of prayer focus for the day. We hope that you can set aside a few minutes each day to join us in approaching the throne. Also, you may consider implementing a regiment of fasting over these three weeks. The combination of Prayer and Fasting is a powerful one when seeking the throne of God. Regardless of how you are planning to join us, we are grateful that you have chosen to join us in praying for our beloved church.

Your Brother In Christ,

Samuel L Padgett <><
